Open today's door and make a difference

For 100 days, The Survivor Project is inviting people across our community to open one door and complete one achievable act of kindness.

You could donate £1, collect a Christmas gift, organise a food collection, involve your school or workplace, volunteer your time, share our appeal – or complete an act of kindness that costs absolutely nothing.

Together, we are working to provide Christmas food, presents and practical support for 100 local families affected by domestic abuse, hardship and crisis.

You do not need to complete all 100 days. Simply open today's door and see what good you can do.
